Important Notes:

A minimum invoice fee of \$60 occurs for each batch of samples from a single client at one time.

Samples will be analysed 'as received'.

Water Samples should be kept cool (<4°C) and submitted for analysis within 24 hours of sampling.

SAFE Analytical Laboratories requires 'up-front' payment before analysis is performed.

All prices include GST and Postage.

(Urine Analysis is GST exempt)

No tests are covered by Medicare.
